Since opting out of the 2.0-liter class settlement, pro se plaintiff Oleg Yarin has regularly filed motions with this Court. While the motions have varied in content and request, broadly he seeks to move forward with litigating his case against Volkswagen, and he is frustrated that to date he has not been able to obtain discovery or otherwise pursue his claims.

The Court held a case management conference last week to address the remaining opt-out cases. Afterward the Court issued Pretrial Order No. 24, which instructs opt-out plaintiffs to complete a Plaintiff Fact Sheet (“PFS”), and to mail or email the PFS and supporting documents to Volkswagen’s counsel by Thursday, August 15, 2019. If Mr. Yarin wishes to continue to pursue his claims against Volkswagen, he must comply with Pretrial Order No. 24, which the Court will mail to him along with this Order. To the extent that Mr. Yarin’s motions are inconsistent with Pretrial Order No. 24, they are DENIED.
